48" NGX Clamp Edge Guide

Makes it even faster and easier to break down sheet material and rip boards with clean, accurate cuts every time. Simply hook the clamp edge across your board, line it up with your cut and clamp it down - all without moving your feet. The ergonomically designed sliding clamp handle allows easy one side adjustability. Designed for use with circular saws, routers, jig saws and other portable power tools, as well as the NGX saw guide system accessories.
